

Lockdown Bible School 2020 – Practical Considerations!

LOGGING IN

- The meeting room should be open from 4:30 pm on Sun 24th May to give you time to login properly. For other meetings, please DO log a good 10-15 minutes early (not before 4:30 pm or you will interrupt the under 9's lessons!). You can turn your camera and microphone off for a while if you need to sort yourself out once you're 'in' - so you don't have to sit there and wait unless you want to!
- If it's not working, close Zoom AND your internet browser down and then try again. If that didn't work then reboot your computer / tablet / phone and then try again. Make sure your Zoom software is at least version 5.0 – if you haven't updated it by Friday at the latest it may stop working. For help go to <https://support.zoom.us/hc/en-us/articles/201362233-Where-Do-I-Download-The-Latest-Version->
- There is also a list of common questions here that might help: https://support.zoom.us/hc/en-us/articles/206175806-Frequently-Asked-Questions#h_8f38d3af-506f-4c33-8269-4b649d5c1aee

DISTURBING THE MEETING

- It's amazing how easily background noise, rustles and whispers can interfere with the sound – please make sure you have muted yourself so you don't inadvertently disturb the meeting.

BROADBAND ISSUES

- It may help if most of us turn off our cameras during the talk – so everyone's computers don't have to work quite so hard to keep everyone's video pictures going – but we will need to keep a some faces for our speakers or they will be speaking to a blank screen!
- If you are struggling with Zoom or don't want to join any of the informal conversation afterwards then go to cdvideo.org/lbs to watch on YouTube Live.

CATCHUP CONVERSATIONS AFTER EACH MEETING

- After the main sessions we will split into smaller groups to have a chat. Please do stay back and join in. It has been suggested that we change the smaller groups every 10 minutes or so to give you the opportunity to speak with a few different brethren and sisters
- If you can manage it, please make sure your name is on the screen to help others who may not know who you are. To change your click the icon of two people on the menu that says 'participants', a list will appear and you will probably be at the top of that list. It may say your name, or it may say something like "iPhone 6" Or "Galaxy Tab". To change it to your name, move your cursor over your line on the list and click 'more' – select 'rename' and then type in your name, and the names of any people who will be sitting with you.
- For the under 9 session we will keep the session open after Kitson has finished so you can share your activities – but please make sure you are finished by around 4:20pm (it will have to be closed off at 4:30 pm)

CHRISTADELPHIAN VIDEO

- We are grateful to Christadelphian video, whose technical abilities have underpinned this week's Lockdown Bible School. On Saturday at 11:30 am there will be a presentation about their work – please do log using the usual link
